“ *To All of Andy's Family;
I taught with Andy early in his career at Pelham High School. I recall he was a good and caring teacher. I took a course with him in Pascal Programming at Daniel Webster College. He also arranged for us to go on a field trip to Bell Labs where we met his dad and showed our students some real life applications of Mathematics. We also did some social things when our sons and Angela were very young. Our condolences to all for your loss. We have lost contact over the years.*

God Bless,

“ To all of Andy’s family;
Please know I counted Andy as a good friend in Tewksbury’s school system. We graduated in 1969, and lost contact. I remember him as always being quiet and thoughtful with a quick smile and nice sense of humor. I’m truly sorry for your loss.
With deepest sympathy,
Ron Martin

Dear Pete,
I was deeply saddened by the news about the death of your brother Andy. I am so very sorry. This must be very difficult for you. Please remember that you are in my thoughts and my prayers.
Pete, I remember all the goofy stuff we did together years ago. So many years have gone by it’s hard to even count them all.
I know how much you will miss Andy, but you can take comfort and strength from the wonderful family you and he had together.
I am so sorry for your loss Pete..... You’re a great guy.
