“ My deepest condolences go out to Anne's family. Anne was one of the first people I met when I started teaching in Nashua at Fairgrounds Jr. High in 1996. We taught in the same room for 2 years and I learned so much from her. She was tough but fair and she cared about the students she worked with. More importantly, they knew she cared and they all respected her. She would often talk about her family and it was always great to hear the stories she would share. The last time I saw Anne was probably 1998 or 1999. When I heard of her passing I wanted to reach out and tell you all how much of an impact she had not only on her young students, but a young first year teacher as well. My thoughts and prayers are with you. Rest in Peace, Anne. -Jason Robie

“ Anne was amazing! I have such great memories of our days as Sunset Heights and NCRJHS parents and Girl Scout leaders for Erin and Aissa's troop. She had such a great sense of humor. I remember after my son, Jake, was born, she was a calming, funny, inspirational beacon for me as I learned the ways of boys. In later years, we lost touch so it was always a special treat for me to bump into her around town and spend a couple of moments catching up. The Nutting family sends its condolences and holds you in prayer. May your happy memories bring you comfort. ❤️

“ *My own wife and I are grateful to Anne for showing us where ancestors are resting in North Adams for what has so far turned out to be our only visit to Nth Adams so far. She was warm and friendly and accepting of us as long distance relatives. Visiting from Ireland, it gave us a chance to see Anne and the wider Meaney family. Those memories that we experienced will stay us with forever. God bless you Anne, rest in peace.*
