“ Dear David and Family,

*I was very saddened to hear of your loss of Nanci.*

*I, and my children, Paul and Leslie, remember Nanci as a wonderful, generous fun-loving person. We met her many times during our visits to Adamson Street when she would be visiting Rosalie and family, at at family gatherings over the past years.*

*She was so good to my mother - taking her and Rosalie shopping every Friday for many years.*

*I extend my deepest sympathy to you and family during this time of great loss.*
