I had no idea. I worked with Tony at Sylvania from 1985 until 1996. He was a great friend. We golfed together. Hung out after hours. Definitely saddened today to hear the news....

“ I can remember when I was 6 years old I would sit in my yard on Belknap Rd and seen Tony riding his bike always playing baseball coming home down the street from me. I would say when I grow up I want to be just like him. We moved to Oak Ave when I was 10 and seen Tony bowling junior leagues at LNL and he is 5 years older than me and would let me hang out with him. 7 to 8 years later he moved down the street again and we were fast friends as adults. He was always kind to my Mother and my brother Mike helping the younger kids fixing there bicycle. I feel sadness today thinking of past memories. Tony was a dear friend I feel a great loss I haven't seen him in 6 years. My friend you will be missed by many people thank you for being like a big brother to me and always looking out for me. 🙏 RIP

“ We had just met Tony and Nancy about 3 years ago in Florida. Tony was such a great guy and we all became friends very quickly. We loved having them as neighbors and always looked forward to them coming. We are tremendously saddened by his loss and will miss him very much! Rest in Peace Tony (autocorrect always called him Tiny) The picture was the last photo we took at Sharkeys enjoying Sunset and drinks!
