“ Frank, Billy, and all of the Girginis family, no words can mend a broken heart or heal the pain of a tragedy like this one. I am so sorry for your loss, and my heart truly aches for all of you. I can still remember when I first moved to Hudson and going to the summer rec center, with Tony, and growing up in Hudson and having the privilege to know Tony, through going to school and playing football with him. Tony loved life, lived it for what it was, and enjoyed it to its fullest. Only good men come in few, and it's tragic that the world lost one so soon. This is an unbelievably tough time that all of you are going through, you are all such a remarkable family. Stay strong Girginis Family.##imported-begin##Matthew Brownrigg##imported-end##

I am deeply sorry for your loss. I remember Tony fondly from my first year teaching 8th grade Language Arts at Memorial. Although I didn't teach him personally, I knew Tony, and he was a great kid. He had such a presence about him, and I can still remember what he wore to the 8th grade dance at the end of the year! His smile was always present and he shared it with everyone.

Being friends with Frank, I know your family is a very tight-knit group, and I cannot imagine the impact this loss is having on all of you. “ *Patty & John,
I'm deeply saddened by this news. I would talk with Anthony often when he came to Cash Converters to buy cd's. My thoughts and prayers go out to you and your family. He was a good kid who I will sorely miss.*

“ *To the Girginis family: I am deeply saddened by your loss. I remember Tony as a young child and watching him grow with such a loving family. I remember distinctly that Tony and I share the same birthday (December 27), except the same year! I want you to know that your family is with me eternally in my heart through this tragedy and I wish nothing of piece for your family.
