“ Jimmy, James, Juliana and Isabella, our deepest condolences and sympathy to you and everyone in the larrobino family. Our family shared so many great times with you and your family and we have so many recollections of your mom - too numerous to mention. We will always remember the happy times we shared together. Your mom loved her family and loved her grandkids more; she adored them. Know that your mom's love and presence as a wife, mother, grandmother, sister, aunt and friend will always be with all of you. Be sure to be kind and gentle with yourself. Sending you and your family lots of warm hugs. This is a quote by an unknow author which I think is beautiful: "Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy". Your mom will always be with you because she is a part of you. She lives on in all of you.

Love, Carol and Vinny Dolcimascolo
