“ Mom...you are going to be so missed. We love you very much. How could we not get along with each other. We have the same birthday! We love you and you are with God now and the whole family now has another Angel to watch over all of us. You are now home with your three other children. Make sure you give them a big hug and kiss for all of us. Love always and forever. Love, Reneé, Rich, Devin, and Hunter.
