“ We lived many years next to the Barbara and her family. I do not know how I would have done it without her. She was a big help in helping me raise my 2 boys and we will never forget her. We had lots of fun at her parties and eating her portuguese food. She was like a mother to me at times and a good friend at all times. She was beautiful inside and out and she will greatly missed. Rest in peace my friend...Sharon, Justin & Ryan

“ *Barbara, You will be missed by many. From working together, to our many Red Hat outings. We had a lot of laughs at our many tea parties. Thinking of all the good times we had over the years will always bring a smile to my face. Rest In Peace my friend.*

“ Memories of us growing up together spending time at the beach, sleep overs, riding bikes and just having fun together will always be a part of me. I especially remember as we became teenagers the boys started coming around and Vovo Cabral would swoop down from the second floor porch with a broom in her hands and shoo them away and call them names in Portuguese. Barb would run to Aunt Rosie and plead with her to get Vovo to stop. We were sure we would never have any "boy friends" and would probably be single for the rest of our lives. We were devastated. Rest in peace. You will always be loved.

“ Barbara was my mentor and my friend. We worked hard and played hard. I will never forget the Red Hat lobster party for my birthday at Nashua Eye. The world was a better place because of Barb. I know she and Sue are happy together. Heaven got another angel far too soon.
