“ Yvonne, don't know if you remember me, when we were young girls I would visit at your house, My heart felt sympathy to you and your family. I remember your mother as a kind, sweet woman. Your family will be in my prayers.

“ I am very saddened to hear of Barbara's passing. All of us here at AHEPA 35 Manor loved Barbara, and she was affectionately known as "Little Barbara". She was a building monitor for over two years and did a wonderful job! She also assembled my monthly newsletters and distributed them to all the residents. She was a sweet lady who always had a smile on her face and went out of her way to help those around her. My condolences to Barbara's family for their loss.

I had never met Barbara but we had spoken on the phone. It came to my attention we were both Grigas' and that we had both used Michaux (not sure of the spelling) Boarding house at Hampton Beach NH for summer vacations with many happy memories. I originally contacted Barbara because I had found out that she had many old photos of those times and I was very keen on seeing them. My memories go back to the 1950's and these vacations were among the happiest of my childhood. If any family members would care to contact me in regard to this, I would love to hear from you. Thanks so much, and I am sorry for your loss.
