“ *I met Barbara Kalb through her son and daughter-in-law, Jeff and Joann Kalb. Barbara was always kind and very thoughtful and easy to be around. She was a wonderful mother and mother-in-law and the best grandmother ever. Nothing delighted her more than being with all of her family at the beach here in North Carolina. Family came first. She was a very godly woman - one that I desired to pattern my own life after. Although she was a petite and gentle woman, she was incredibly strong. She thought of others first. I count myself fortunate to have known her. Thank you, Barbara, for your wonderful legacy. You will be greatly missed.*

My condolences to the Kalb Family.

With love and sympathy,
