“ I am so sorry to learn of this tremendous loss, and my deepest condolences go out to the Meaney family. Mrs. Meaney was a second mother to me in high school through my friendship with Katie. She led with passion and kindness, humor and grace. She helped me through some difficult times with her characteristic calmness, and I always knew she was there to celebrate the victories and soothe the disappointments. May you rest in light and love, Mama Meaney, and may your family be surrounded by the warmth and solace you so readily and selflessly gave to others.

*I worked with Barbara for many years. She became a friend. I learned many things from her over the years watching her with children. Time has a way of getting away and going to fast. Time never stands still. After her retirement I wished I had tried harder to see her now and again. I will miss you Barbara, Hugs to the family that she always spoke so fondly of and was her pride and joy. Val*
