“ My memories of Auntie Barbara were all very happy ones. She always made me feel like I was the greatest kid ever. She had a jolly easy-going yet strong way about her that just made you smile and feel loved and safe. I remember having a great time visiting with my cousins, Jan, Julie and Richard and the great cakes she would make for us.

My mother, her sister, Gloria (she called her GaGa), and I loved her very much and are saddened by her passing, but will feel comforted by memories of her gentle, loving spirit.

“ Dear Barbara's family,
Barbara was my first grade teacher at the Foster School in Tewksbury. I believe we were her first teaching class. What a special lady. She was filled with compassion and caring. She reached out to our young class giving us the zest for learning and taught us to do our best. I so regret I didn't know she lived close to my home, I would have loved to have visited. I pray she has found comfort and peace in heaven. May your family cherish your memories of this great teacher, mother and friend.
