“ Thinking of you Don. Especially remembering the Relay for Life cancer walk last year and walking with you and Berthe. You looked so proud walking beside her during the survivor walk. I will always remember the smile on both of your faces. Just happy to be together.

Tom and I will keep you in our prayers.##imported-begin##Donna Staffier-Sommers##imported-end##

“ With deepest sympathy at this time of Aunt Berthe's passing. She was really special to me for many reasons but the most important one I can remember at this time is that each time I went up to Mom's during the summer she would always make a cookout for all of us to get together, a special time to see all my cousins too. I loved her for that. She was so thoughtful.
Much love,
