“ Dear Pete, Denise, Debbie, Darlene and all the family.  
I was saddened to hear of the death of Betty. She was important to my life as you were Pete and all of you. We had a lot of fun family get together's and Andrea recalls nearly all of them. Our guitar playing together and Betty's calm demeanor just made everything special. I wanted to see you every year we went back for a visit and many times you were sick and could not have company. I missed those times I couldn't see you and Betty has died without me seeing her in years and for that I feel bad. The Stannards are a wonderful family and will be together to help you Pete in this transition and to pull together in unity to get through this difficult time. You are all in my prayers and I am having a Mass celebrated for Betty out here in Indiana to remember her and celebrate the gift of life she was to so many people. I hope to see you all this Summer and I hope you all are doing better by then. Love to you all###imported-begin##Darcy Troville###imported-end##
