“ Aunt Bev, I have memories of you and Uncle Buster my entire life, the earliest, age 3, with Uncle riding me on the front of his motorcycle at Grammy's house and you and my Mom watching like hawks. You raised 6 children, were a great cook, seamstress and crafter always doing extra to help support your kiddos. You got us together for celebrations so many times. We know in recent years you have had difficult unexpected losses, too much for one person to endure. I am happy knowing you are reunited with those you loved and lost. May God Bless and guide those you leave behind.

You touched everyone's life you came in contact with. Because you were that kind of a lady. I know you will be missed by all. Marty, Mike, Matt and Leah, Kathy and Lisa, know that you are all in my prayers
