“ To Dan and Elaine, and family... my heart goes out to you and yours. At a time like this, you can't help but wonder if it's better never to have loved at all. Then you wouldn't be feeling such a terrible emptiness in your hearts right now. But, then again, as Dr. Seuss once said, "Don't cry because it's over, smile because it happened." Remember "Cubbie" as a treasure you were blessed with, if even for a short while. With Love, Kathy Walter (HMS)###imported-begin###Kathy Walter###imported-end###

“ Rich and Brianna words can not express our sorrows for the both of you. We are so very, very sorry for your loss. I read a poem and thought of you Rich and as you know your Uncle I am somewhat of a quiet guy.

Here it is:

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.*

*We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...*

*Our destination is a place,
Far greater than we know.*

*For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the lord*

I love you.##imported-begin##Wayne##imported-end##
