“ Dear Brian,
Although your journey here with your loved ones was oh too short, you will live on through your beautiful family. God Blessed you with your beautiful wife Judy, three beautiful children, Brian, Jillian and Jeffrey, and four beautiful grandchildren who will carry on your legacy. You fought such a courageous battle with cancer and lived every moment to it's fullest. Unfortunately for all who love you, you were unable to win that war. Your Safely Home now Brian. I believe when Jesus met you at the gate, He held His arms out to you, told you how proud He was of the life you lived, and welcomed you home. Your journey here is over Brian, your work is done. It's time for you to rest. When The Lord awards you with your wings, I know you will wrap them around Judy and all your loved ones to protect them. Maybe you could drop a white feather for them to find so that they know you are around. God Bless you Brian.
Love,
Your cousin in-law, Gail
