“ Cousin Carli,

It was so nice to talk with you just the other day about our family plus our mutual interest in art.

I'm wondering what my Mother thought [Jenna/Boston] when she seen her favorite cousin Carli is also in Heaven with her now.

Surely it will be the same in Heaven with the good times you both always had together here on earth at the family gatherings in which I will deeply miss seeing you at them.

You were and will always will be a very outstanding man in my book plus a major loss to our family.

Rest In Peace my good friend + cousin...
