“ *Very saddened to learn of Carol's passing. My memories of her are from AHS Class of 65 where Carol was fun to be around, upbeat and with personality plus. She liked and treated her classmates well and was very popular. Spending time with her meant being with a group laughing loudly and frequently. I bumped into Carol & Andy At Sam's in Hudson just a couple years ago and it was a treat. Carol was every bit the pleasant, interesting and interested person I remembered from AHS. A lovely chance encounter. (In the order of Carol's entry into your lives): To Carol's Mom, Sister, Husband, Daughters and Grandchildren I am sure if wishing could have made it so you all would have had many more years together with Carol here on Earth. Please accept my sincere condolences for your loss. Carol (Kelley) Cordero.*

“ I've known Carol and Andy and their daughters since I was a little girl. She was always so cheerful, talkative and good to me and my parents. My father and Andy were very close friends. I will never forget what a great family they were. When I had my twins Carol was right there to lend a hand and was so excited for me. She is a great loss to all. Such a huge personality! My heart goes out to especially you Andy, but to Janice, Kristen and Karen, and the grandchildren. I love you all.
