“ *I was so sorry to read of Carol's passing. What a truly genuine, kind, and beautiful person she was. We spent many hours together in school, in the fields picking potatoes, and just riding around town weekend evenings during our high school years. She always had a smile on her face and a kind word for all. I always looked forward to our class reunions to visit with her, and share our family news and happenings. May God bless your family during this difficult time. I will miss her...*

“ To Paul, Karen, Mark, and Aaron, and their families! Carol was one of my nursing sisters from Beverly Hospital School of Nursing; she was a very special lady. She was sweet, kind, beautiful, with a hidden quick sense of humor that caught you off guard!😱. She was a great nurse and a great mother, wife and will be missed by you folks and her BHSN family. I will be unable to attend the funeral as I live in NC, but my thoughts and prayers will be with you all. My love to you Paul, you are a great husband, Dad, brother and Ice skater! 🤗 Hugs and much love to your whole family! Jane Turner LaBelle
