Carol was my only female cousin on the Genevese side of the family. I was her maid of honor at her and Ken's wedding and she was my maid of honor at mine and David's. As a kid, we had lots of fun in Watertown where she grew up and spent so many summers in onset together. She had an amazing sense of humor and we laughed and laughed and laughed. She loved her cousins Frankie, Tommie, Bobby and me she even adopted my best friend Donna as her cousin we used to meet every summer once or twice at Hampton Beach at Brown's or Mackeys, she always brought Mookie the cutest dog I've ever seen. Every year Danny, Leah and Cameron would go to Yarmouth on the beach for a week. Carol always invited Donna and me. One year. I brought pictures of our grandparents Nonna and Nonno. The pictures were from when they lived in Italy and.m we're dressed with fancy hats and outfits on. Carol said when she saw the picture with them all dressed up with fancy hats and clothes, "we're they going to a Halloween party?" We couldn't stop laughing because she was so funny. I'll miss you so much Carolina and see you soon with Jesus in heaven, love Cuz JOANNE 🙏❤️🙏

This is Carol's adopted cousin Donna. I love so much meeting with Carol at Hampton Beach and our visits in Yarmouth with Danny and Leah and Cameron. God gave Carol the best son mother and father could ever have with Danny and her too beautiful grandchildren who she was so proud of she was a beaming grandmother. I will miss our visits with Carol is nothing like old friends that could talk endlessly about family and food and memories, she was a blessing to everyone who knew her and she will certainly be missed. Thank you Carol for enriching my life by our visits together and I will miss you here, but will look forward to continuing our memories in heaven with God, May God comfort, Danny and family Donna.
