“ I wish we could have done more for you. I know we visited a lot, but it could have been more often. I wish you got to spend more time with Andrew and Justin. You always talked about Andrew and how much you loved him. I wish you got to experience the internet and Facebook because we talked so much about that. I have so many wishes & regrets, but I'm trying to appreciate the fact that you are now in God's loving arms. You're with your Mom & Dad now. I know you are happy. It just breaks our hearts that you were alone too much. I love you so much. I love the way you loved Michael. When you told me that you took him to see Doctor Zhivago when he was very young, I told you he loved it. I told you that it's still his favorite movie of all time and that made you so happy. You were so shocked to hear that.....but so happy <3 I'm glad you got to spend your last Thanksgiving with us. I'm sorry you weren't feeling well that night, but you made it to our house!! I'm very thankful that Justin remembers you. He still has the bag of toys you had given him during our last visit to your home. He won't throw the bag away, haha! You always gave the kids thoughtful gifts & they still have them <3 RIP, Carole. Michael loves you.
