“ *In the fullness of time, I know my mother as a woman of courage, integrity, spirit and love. For the 62 years she was my mom on earth, she showed me how to love fiercely, hurt deeply, and live graciously. She was always here for me when I needed direction and correction. Those who knew her know she was not shy about expressing her opinion, but it came from a source of wisdom and knowledge. Above all, there was never a time in my life when she didn't go above and beyond to be with me when I needed her most. And the best gift God gave me was for me to have the privilege to be with her when she needed me the most. I love you so much mom. You are a forever part of me. Renea*
