“ Carol and I both love the Patriots. So glad I could be there with her to watch them win the Super Bowl one more time. We also shared a mutual admiration of Gronk! She loved to flirt and loved a good joke. Rest in peace.

“ *From the first time Nick brought Carol to meet our branch of the family, back in the 60's, to last fall, we never had a time with her that wasn't full of laughter. She always was a party all by herself, and brought the fun with her! I loved her down-to-earth sense of humor, and ability to look up and forward with glee and interest. Definitely a bright light!*

Love, Betty
