“ We were so sorry to hear of Charlie's passing. We both remember him fondly and enjoyed working with him. Charlie had forgotten more about printing than most of us will ever know. He was always glad to share that knowledge in a generous and non-condescending way. Dan will miss his lunchtime buddy. Our thoughts and prayers are with your family at this time.##imported-begin##Dan and Dawn Mahoney##imported-end##

“ Dad you're the best dad ever! You were always there for me through the good and the bad. You always gave me the encouragement I needed when I wanted to just give up and because of that I always finished what I set my mind on. You're a loving gentle soul and faced death with such courage and bravery, cracking jokes the whole time. You're #1 and I look up to no other. I miss my 8 o'clock phone chats. I LOVE YOU DAD! I hope you are enjoying heaven!
