

## Christopher Jason Leite

November 14, 1983 - November 14, 2016

Christopher Jason Leite passed away while vacationing in Jamaica on his 33rd birthday November 14, 2016. He is survived in loving memory by his three children Rachael Leite, Elizabeth Leite, and little Christopher Leite. His mother Linda Leite, and his five siblings Mario Leite, Nikki Silva, Anthony Leite, Linda Johnson and his twin brother and other half Jonathan Leite. He leaves behind numerous nieces, nephews, aunts, uncles and friends from Nashua New Hampshire all the way to Jamaica.

Chris was born in Stoneham, Massachusetts with his twin brother Jonathan on November 14, 1983. He grew up in Nashua New Hampshire where he also became an entrepreneur. Chris started his own business "Leite Brothers Residential Construction" with very little. He then worked diligently to transform it into a well respected, honest and successful business it is today.

Christopher Leite if described in one word is "life". His mere presence made life better. He was what most people would aspire to be like in life. Chris became a father at a very young age. Even though he had to struggle and work harder than most sixteen year old to make ends meet. He did it with a smile on his face and love in his heart for his family. Chris is the epitome of a true success story. He started with so little and made a rich life of happiness with a beautiful family and wonderful friends. Chris was so humble he probably had no idea how many lives he touched. Christopher Leite will be

forever remembered and greatly missed.
