“ How much fun we had visiting Claire last summer. She practically ran the Hunt Center single handedly and from what Jean and I could tell she had many friends there. I will miss her tremendously. Over the past few years we kept in touch fairly frequently via the phone and spent many hours joking and laughing. She loved a good laugh and a few spicy jokes from time to time. Every time I would visit Nashua on business and we got together she would always have a Moxie ready for me. When Jean and I were there last summer we discussed the fact we were the last of the Leclerc clan of our generation. Claire, Leo Leclerc and me. I guess I am the last of the Mohicans. God Bless you Claire.

“ *I will miss my Aunt Claire. God I loved that woman. Her and I got close with my Mom living with me. I would listen to her and Aunt Claire. Those two were a hoot! Even after my mom passed I would still call and chat and laugh....My only consolation is that she is up in heaven with Uncle Gerard, Ritchie and my mom of course. Love and prayers to you all. “ *I will miss Clare so much. She touched so many people's lives volunteering for Hunt Community. Dropped by the volunteer office everyday and always made me laugh and gave me a special hug. Clare will be missed by so many! Loved her to pieces. Norah Sutton*
