“ Tami, Jesssica and Amanda.

I was so saddened to hear of Clark's passing. He was such a fun loving guy and a good sport. Just remembering him puts a smil on my face. I can still hear him telling me that he knew where I lived after giving Jessica a kazoo and showing her how to use it. I will remember you all in my prayers, and if there's anything you need, please let me know.

“ I'm so sorry I couldn't make the wake. I was away last weekend and I just heard on Thursday from Carrie-Ann that Clark has passed on Sunday. You all took such great care of him and it's obvious from the video how important family was to Clark. He leaves a great legacy and was incredibly brave during his battle with cancer. It was a privilege to be on his health care team, though I wish things would have turned out differently. My thoughts and prayers are with you all.

Sincerely,

“ Tammy, Jess and Amanda,

So very sorry to hear of your loss. Clark was such a kind man, the world was better for having him. I will always remember him having such a good time at Girl Scout events with you girls... In particular the time he wanted to hike down the mountain in the middle of the night with Jess because he brought you a wool blanket and you just couldn't choke down the benedryl. Remembering him will always make me smile. You are all in my prayers

“ Dear Tammy,

First I would like to start by saying I'm sorry for your loss, although I didn't know Clark very well my dad did and he was like a little brother to him. He will be missed by many! I just wanted to stop by and let you know I am thinking of you and your family and if there is anything you need please don't hesitate to call on the Marquis family. I know times are hard and you know my dad well enough to know that those are not just words of kindness they are true and ment from the heart. Thank you for being a part of our lives! My deepest sympathy, Allison... Clark's favorite Medical Assistant##imported-begin##Allison##imported-end##
