“ *Most of my childhood memories of Uncle Clyde involve our family’s being together. Loud Christmas dinners, a blue haze of cigar or cigarette smoke lingering in a dining room. Laughter, sometimes arguments that always ended right wear they started and sometimes telling stories of teenage years. It’s amazing those Bubar boys managed to never lose a finger!*

*I love and cherish all the time we spent together. I am thankful for all the childhood memories as well as getting the chance to be an adult with him as part of my life. Dining room tables will never be the same.*

*Love to all and know he will be missed.*
