*Cynthia Rioux, I'll always miss you. Thank you for the twelve years I got to work with you. At Hudson True Value. I'll always love your smile of joy and your extra caring for me over those special moments. Your awesome meats you brought in for me on Wednesday mornings. You always made sure that I was getting all the right protein. God I'm going to really miss you. Love Keith snyder. ❤️*

*"Cindy" and we're close friends in junior high and high-school. I remember her contagious laugh and the times we shared walking to each other's house and Main St. I always thought it was "cool" that she was in the club at Bell Shop near Woolworths! We had matching leather coats and suede jackets. I remember the fun we had at the Shriners football game in Hanover and all the events with Rainbow girls! RIP my friend!*
