

Dalton Shumsky

May 11, 1992 - November 21, 2018

Dalton Steven Shumsky, 26, of Hudson, NH, died Wednesday, November 21, 2018, after a long and difficult battle with addiction.

He was born May 11, 1992 in Nashua, son of Steven and Pamela (Wilson) Shumsky of Hudson.

Dalton was the husband of Shannon Lee (Summit) Shumsky of Hudson, with who he shared five loving years together.

Dalton was co-owner of Steve Shumsky Unlimited Doors, where he worked side by side with his father for many years. He loved his Harley Davidson motorcycle, camping, fishing, collecting guns, kayaking, and especially riding dirt bikes with his cousin Nicholas Campbell and friends. He enjoyed taking trips with his family and friends, including North Conway, NH. He was a respectful and gentle bear that will be missed by all who knew him.

Besides his loving wife and beloved parents, survivors include three sons, Colton S. Shumsky, Jaxon M. Shumsky, and Carson D. Shumsky, his maternal grandparents, Donald and Marilyn Wilson of Hudson, a sister in law, Crystal Krak of Virginia, as well as several aunts, uncles, cousins and two nieces. He was predeceased by his paternal grandparents, Sigismond and Dorothy Shumsky.

A celebration of Dalton's life will be celebrated on Saturday December 8th from 1pm - 4pm in the White Birch Catering Hall, 222 Central St., in Hudson.

“ *Steve, I met you today at CHI in Manchester while I was picking up a door. I wanted to tell you again, how sorry I am, that you lost your son Dalton. I was also in business with my father Duane, who passed away in 2002. I think I know how hard it is to lose your business partner as well as your best friend. You seem to be a very kind man and I have no doubt that Dalton was as well. My heart goes out to you and your family, and Dalton's wife and children. God Bless you all.*

Hi Steve..... Ray Landolt here.

Cindy and I wanted to express our deepest condolences on the recent loss of your Son, Dalton (Steven).

It is never easy to lose a child. Though I only just met him when you fellas fixed up my garage doors, I could tell he was a great guy.

He looked like a real outdoorsman, too. Nice young man.

There are really no words to express the pain of this loss to you and your family.

Cindy and I are unable to attend the celebration of Dalton's life (we must babysit our Grandchildren, in Andover, MA).

My only thought to you would be this.... take comfort in knowing that he is above, at God's side, and watching over all of you.

Cindy and I will say prayers for Dalton, you and your family.

Take care, Steve.

*All best,
Ray and Cindy Landolt

“ To the entire Dalton family,

Please accept my thoughts and prayers. I always thought of my students as my children and that makes you my family as well. My memories are of a young man with a kind heart and a caring smile who always made my day better just by being there. I know his memory will live on with all of you.

“ *Shumsky Family, I am heartbroken to hear of Dalton's passing. It was so nice to talk with you at Shauna's celebration of life and to see Dalton again. If Shauna was with us, she would tell you that Dalton was one of her favorite people. They (Kayte, Nick, Dalton, and Shauna) enjoyed time snowboarding in North Conway, sleepovers at Papa's house in Bartlett NH, and the absolute best times 4 wheeling together. She loved Dalton as did I. He had so much to live for. I know he fought everyday and never gave up on himself. He loved his family so much. I'm here if you ever need anything. Love you all. Cheryl*

“ Shannon-

We are very sorry to hear of Dalton's passing. No one can prepare you for such a loss. A person that departs from this earth never truly leaves, for they are still alive in your heart and mind and through you and your sweet boys they live on. May fond memories of Dalton and the smiling faces of your children bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before he passed away. Our hearts and prayers go out to you and your family. We extend to you our most heartfelt sorrow and condolences.

“ Steve, Pam, Shannon and your entire family, I am heartbroken for you. Dalton was the nicest young man. When you installed my garage door, I had such a great conversation with Dalton, just chatting about life and his kids. He was a very good worker and even though he was chatting he did not stop working. He talked about how much he loved working with his Dad. He was so polite and kind. I do not even have adequate words to express how sorry I am for your loss.
