

## David Gagnon

January 3, 2025

David John Gagnon passed away on Friday January 3rd 2025 in Myrtle Beach South Carolina. David was born in Lowell Massachusetts, son of Robert and Madeleine Gagnon. He was a life long resident of Hudson NH. He spent most of his life working as a heavy equipment operator and David attended Hudson NH schools.

David loved his family and lived everyday like it was his last; always wanting to be together, he enjoyed bike rides, cooking, open waters and of course his Jack and Diet Coke.

A boater at heart David had a whole life in Myrtle beach where he enjoyed days relaxing on his boat and his many friends he made during his weekends spent there. When he was not spending his time there he was in Hudson spending time with family friends and most importantly his dog Gracie who he loved dearly .

David was always up for a celebration of any sort, he was a great entertainer and used every reason to get people together.

David was known for his resourcefulness and ability to do anything he put his mind to. Creating and engineering most anything that was asked of him.

Cooking was his specialty he loved making big dishes for everyone to enjoy while he sat back and watched all the smiles his food caused.

Where ever David went people knew who he was and he was a loved member of the community and made the biggest impressions on people. He will be remembered and loved for the kind, giving and loving person he was.

David is joining his daughter Jennifer Gagnon in heaven.

David is survived by his children; Jonathan Gagnon, Jessica Gagnon and her spouse Kara Brennan, Alexann Teets her spouse Matt Aldrich, his grandchildren; Jack, Luke, Lincoln, Ayden, Mila, his parents; Robert and Madeleine Gagnon, his brother; Paul Gagnon, his best friend; Tammy Bieren and her husband Jeff Bieren as well as family members; Ed and Diane Silver, Jennifer Albertson, Jessica Speidel, Kyleigh Ellis and his beloved dog Gracie, also many other friends and family.

Following cremation, a time of visitation will be held on Thursday, January 16th from 4pm - 7pm in the Dumont-Sullivan Funeral Home, 50 Ferry Street, Hudson, NH. Burial will be private. In lieu of flowers, donations may be made in David's loving memory to either the American Legion Hudson Post 48, 37 Central Street, Hudson, NH 03051 where he enjoyed spending his time or to the charity of your choice.

*We - Mike, Pam, Michael, Arianne, Mark and Adam have luckily known Madeleine and Bob, Paul and David for over 50 blessed years...they were the first to welcome us into their closely knit neighborhood of dear friends and the memories we have of all those years of Super Bowls, camping, gardening, Easter egg hunts, Christmas lights, basketball games all the way to sending "Snoopy" to be my security guard when Mike was traveling, are imprinted in our "treasured" memories...David's warm, adventurous, and kind ways were always at the forefront of those times...those twinkling eyes and laughing smile will be forever "living" in our hearts and minds...We love you !*

“ It's unimaginable that we won't cross paths with Dave at some place at some moment, catch up briefly, give hugs, hear about whats new, here in town today and heading to the boat tomorrow. Dave loved many people and would be there at anytime if you needed him. We had awesome times camping, playing volleyball, celebrating special times, supporting each other when someone was going through a hard time and hanging out on so many Sundays. Dave's laugh was infectious, thinking about it now makes we smile and my heart hurt. To all of his family I am so sorry for your loss, we all have loss a truly beautiful person. May the memories make your heart smile and bring even closer to Dave, miss you David, Val💔

“ Oh Dave....where do I even begin. You have been a part of my life for so long that I cannot image my life without you in it. You are my best friend. You are my rock. You are always there when I need you and even there when I didn't know that I needed you. You touched the lives of so many people in your short years and we all will be so lost without you. How do we even begin to understand why this happened. How do we accept that you're gone. I know that God takes you when he needs you for something special and I think that's why. Jennifer must need you with her. She has missed you. And you have missed her. They say that time heals all wounds but I don't think that will happen with you gone. I feel like a huge piece of me is gone forever and that hole will never be filled again. I don't think you really knew what an impact you made in the lives of those close to you. You are a beautiful soul who will always be there with me and I thank you for being my best friend. I will love you forever Dave...fly high my friend. Godspeed

“ Being a bartender for years in town, you come across people that make an impact in your life, and Dave was one of those people for me. He did anything and everything for the people he loved and cared about and always put them first. It saddens me that I hadn't seen you for months, but I always figured our paths would cross again some day and we'd be able to catch up and I can't believe that day will never come. Rest in the sweetest peace Dave.

“ Dave will be forever missed. A tragic loss for everyone who had the privilege of knowing Dave. He would help anyone who needed a favor and willing to give the shirt off his back. He loved his family, the closeness they all share is envious. Dave's loss is surreal, I will forever remember his laugh and genuine smile. Our deepest condolences, Tracy and Ryan McMurray ❤️

Dave was the best at everything he did!! Just last month he built us a garage in record time inbetween doing his other jobs.. Always making time for us and anyone who asked! After each visit, we would always hug, with an “ I love you , and you will always be my favorite xsoninlaw, and he would always laff and hug me tighter and say “ and u will always be my favorite x mother in law”!! He ALWAYS made time for us all especially the kids.. dropping everything to be there for every single one of them!! They all loved him so much!! Every holiday , we always looked for him, until he came in the door, smiling and a hug for everyone... we will always love and miss him so very much ... And never forget how close we all were... that will never change Love you Dave,,,,, 💔💔

I will always remember and cherish our Friday nights - best food, best drinks, and best friendships. Dave was definitely one of a kind. If you needed to borrow his truck, or wanted to borrow a tool, or needed help fixing something - he was there before you hung up the phone. The man had a heart of gold, and we will miss that heart terribly. Love and peace, Dave.

Kerri said it well. I will cherish Dave's friendship forever. Would like to add that vacations were pretty awesome as well. So glad we have Friday nights and these vacation memories. You hear the expression some would give you the shirt off their back, but it does not get to Dave's level of heartfelt friendship. Rest in peace my friend.

*Such sad news for your whole family to endure. He loved his family and it was evident as he was always ready and willing to help in any way he could. Although we went to highschool together, I saw him often on the bike and at local benefit rides. Always smiling and kind. Hugs to your family and I pray you rest in the sweetest peace Dave 🙏*
