“ *David was a good friend of mine and I will miss him a lot. We did a lot of painting and he taught me how to paint houses, cars and everything else. We joked with each other a lot. I will truly miss him. I will especially miss our phone calls. We talked to each other every couple of weeks. I always called him when he was watching his soap operas. Just to piss him off. LOL. He would yell at me, but I didn't care.*

I will surely miss you buddy. I will see you down the line. God bless you.
