“ *Gary & Family ~*

It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.

Thoughts of Debbie's laughter, smile, genuine caring and down to earth nature, and especially her special sort-of sass she had about her will forever be in our memories.

Words, however kind can not mend your heartache.

May you find strength and comfort in the love of family, and in the warm embrace of friends.##imported-begin##Daren & Karen (McCartney) Hagan##imported-end##

“ I know you have no idea who we are but we ate at Susie's a lot..... and when I went in there we always looked for Debbie, she was my go to waitress. I've known Debbie for 30 years, that's when I started going to Susie's but as Kaye's. We will all miss, and I mean all customers of Susie's will miss Debbie very much and are very sorry for your loss. Our thoughts and prayers are with all of you at this time.....**##imported-begin##Lill & Dick Frost, also Henry Demanche##imported-end##**
