“ Hi Deb, Thanks for always lending an ear and being such a great comfort to me, you have always made me feel welcome in your life and became a very good friend indeed. I miss you Deb, always will. I have many memories of you I cherish and hold deep in my heart never to be forgotten. I miss your music playing...you have no idea the joy it brought to my work day!!! Especially the 70's music! You have a wonderful family who I miss as well, you went to the angels peacefully, and that itself warms my heart. Love you Deb, Arlette DeLuise

“ I never wanted to see you go but you are at peace from the suffering that you went through. Considering what you were enduring, you still smiled that beautiful smile. Give mom and Chelsea a hug for me. We shared a bond like no other big sis and I will miss you every day. Your spirit now shines down on all of us and as Dustin told me with Chelsea, "He needed you more". I love you!!! Till we meet again Angel..... <3
