“ *My condolences to Debbie's family and friends. It was with sadness I heard of her passing. I had the pleasure of working with her at Amex Travel/Booz Allen & Hamilton back in the early to mid 90's. We won the Amex 1994 Pacesetter award and had a great time on the Cancun trip.*

“ *We always had a blast together in our work pods. We never stopped laughing that's for sure. I will always remember your wonderful candy parties at your home not to mention all our family functions we attended for each other. I will treasure these memories forever in my heart.*
