Alan Deb is now walking with the King.

I received this and I would like to share it with you and the extended family, Greg Andruskevich

*With tiny lights, like Heaven's stars
reflecting on the snow.
The sight is so spectacular,
For I am spending Christmas
with Jesus Christ this year.
I hear the many Christmas songs
that people hold so dear.
But the sounds of music can't compare
with the Christmas choir up here.
I have no words to tell you
the joy their voices bring
For it's beyond description,
To hear the angels sing.
I know how much you miss me.
I see pain inside your heart.
But I'm not so far away
we really aren't apart.
So be happy for me dear ones.
You know I hold you dear.
And be glad I'm spending Christmas
with Jesus Christ this year.
I send you each a special gift
From my heavenly home above
I send you each a memory
of my undying love.
After all; love is a gift
more precious than pure gold.
It was always most important
in the stories Jesus told.
Please love and keep each other
As my Father said to do
For I can count the blessings
of love He has for you.
So have a Merry Christmas
and wipe away that tear
Remember, I am spending Christmas
with Jesus Christ this year.
Please let your hearts be joyful,
and let your spirits sing.
I'm spending Christmas in Heaven,
And I'm walking with the King.*
