“ Deirdre,

*Even though we only met a handful of times I feel like I've known you forever. You were always so open and honest about how you felt, and that is something I admire about you. Although we won't get to share anymore memories together, I will always remember the laughter that we had over the "Trash Can Lettuce Bin" and the fun time playing electronic Yahtzee. I'm looking forward to getting to know more about the person that you are, through all the lovely stories and memories that your loved ones have to share. You defiantly wiggled a place into my heart in such a short amount of time, and that is where I'll keep you. It is without a doubt that you will be deeply missed and never forgotten. I love you.*

“ *Our sympathy goes out to all of Deirdre's family. Our daughter, Briana Sheptor, became friends with Deirdre, Felicia, and Molly through FFA. Even though she was in another chapter (Paradice from White Mountains Regional), the girls formed a bond and friendship. They even roomed together at Nationals. It is difficult to understand why god takes people at such a young age, but rest assured that you have a very special angel watching over all of you. I know our daughter will never forget Deirdre and all the happy memories from FFA. May god bless all of you, and comfort you during these very difficult days.##imported-begin##Cindy & Don Winget, Lancaster, NH##imported-end##*
