“ *Dean, DJ, Sadie: you were Diana’s anchor, rock, and sunshine. Now, she is your shining light and will be there to guide you always. Diana touched every neighbor she encountered when walking Buddy with her beautiful eyes, smile, and charisma. Diana being so humble didn’t even know her impact on people. Diana will always be in our heart but right now, you guys have our hearts~ Karen and Larry*

“ *Diana's dedication to her family, Dean, DJ, and Sadie was evident in every aspect of her life. Her unwavering advocacy ensured that her children not only received the education they deserved but also felt valued and encouraged to reach their fullest potential. Her love and commitment shined very brightly, and her children's achievements stand as a testament to her remarkable influence and support.*

As a school volunteer for MANY years, Diana's impact was immeasurable. She gave generously of her time and energy, always with a smile and a helping hand. Whether organizing events, supporting classroom activities, simply offering words of encouragement, or even attending Nature's Classroom with Sadie to assist her, Diana's presence brought warmth and positivity to our school. She had an uncanny ability to make everyone feel welcome and appreciated.

I will always remember Diana not only for her contributions but for the genuine and pure kindness and grace that she shared with everyone she met. Her spirit will live on in the hearts of those who were fortunate enough to know her, and her memory will forever be a source of inspiration for our school.

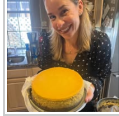

Thank you, Diana, for all that you have done and for the love and light you brought into our lives. You will be deeply missed, but never forgotten.

With heartfelt gratitude and love,

~Mr. D

“ *Diama was a bright light with a beautiful smile and cheerful disposition. I have fond memories of connecting with her and her beloved husband and children when our children were young at PMA and in fellowship at St Kathryn’s parish. We reconnected again when my Soph and her Sadie were diagnosed with Type 1 diabetes. It was always obvious that Diana cherished her family most of all. Dean, DJ, and Sadie I am so so sorry for your loss. God bless you all and I wish you peace and hope that all the good memories will help comfort you during this terribly sad and difficult time. She remains with you in spirit and as your heavenly advocate watching over you.*
