“ Diane was the reason I got my motorcycle license. She made you feel like there's nothing you couldn't do & to hell w/ anyone that tried to stop you. I had a great time w/ the girls helping her paint her trailer. She made everyone laugh & fed us all pizza. We had great rides on the bikes & nothing discouraged her from riding....not even a head-on collision w/ a guardrail. You will be sadly missed Diane, 'til we meet again.....
