“ I am so sorry to hear of the passing of Don. He was an amazing man that always made everyone smile when he was at work at IDC. I had the privilege of having him as my boss. He was one of the best bosses to work for. I'll never forget when he we had a random hail storm and he refused to get out of his truck from break until it stopped, so he wouldn't mess up his hair. He will be missed by so many. I'm glad to have known him.

“ I was deeply saddened to hear of Dons passing. He was a great friend and I will truly miss bumping into him at Texas Roadhouse, our Thanksgiving/birthday celebrations, and his dynamic personality. He was always a great sport when he was idolized in cake/pumpkin, etc. I am honored to have been a small part of his life and wish my sincerest condolences to those he's left behind.

“ *My condolences to the family. I would see Don every morning walk by my office with his breakfast sandwich and he would always say good morning and joke around with me and the sales and account management team. He was a great person and we always went to him for his expertise and knowledge. He had a great spirit and our thoughts go out to the many family and friends that are dealing with his loss. “ I will truly miss Don as he was a good friend. A friendship that was born by the intersection of both our lives at IDC. Although our lives took different paths, Don retired and I was busy with work & family, I still valued his friendship. My condolences to Don's family and friends.

“ My good friend, may you Rest In Peace. I miss the daily walks we took for years to get breakfast at the cafe next door at the Bedford office. Bacon, egg and cheese sandwiches. Of course you got the double ☺. I'll miss the bbqs at your house and mine. And when i hosted your retirement party in 2011, it was very clear how much you were loved and respected for the kind and funny guy you were, as at least 70-80 people showed up to celebrate and honor you. And your hair was always perfect. Miss and love ya bud

It never seems fair when we lose someone so close to us. I am extending my deepest condolences for your loss. I worked with Don at Interactive Data. He always had a smile on his face and was so easy to talk to. I remember seeing him and Brian many mornings go next door to the cafe for their morning breakfast and at times Brian would say something to me and Don would just look at me and smile and/or laugh. He definitely was someone who one would never forget, great guy all around. My heart goes out to all of his loved ones. You're in my thoughts and prayers.

*Melissa,
My deepest condolences to you and your family. Your father always had a smile on his face every time I saw him in carline or at an event at PMA. Please know your family is in my prayers. May God give you the strength to remember all the wonderful blessings he brought to your lives.
Miss you!*

What a great friend he was always. We shared many a day in the office shooting the s@#t. I love him. I tortured him daily (in a good way). He is the reason I got out of the mailroom. I will be forever grateful for his friendship and help. This man is the best! I hope you meet up with my brother up there. Well, maybe not. He make mess with you like I did - haha. See you soon, Bud. I love you.
