What a beautiful tribute to a beautiful woman. Doreen you will be missed by everyone's life that you touched. You are still leading us in our travels. Time will never go back, but you have taught us that today is precious and tell those that mean so much to you that you love them.

“ *My sincere condolences to the family of Doreen Fusco. May you find comfort in your loving memories, and in God's promise to soon "swallow up death forever" and "wipe away the tears from all faces." (Isaiah 25;8) While grief at the loss of Doreen is great, joy at welcoming her back in the earthly resurrection will be greater. (Mark 5;42) With deepest sympathy,*

“ Doreen Fusco was a fun loving lady that made us all feel at home. Asking questions, giving advise and offering help in any way. She taught her daughters to be strong, fair, to have spunk and be go getters. She was ready to tell you how well they were doing and share stories. She loved her husband and took care of "her Joe". Our Christmas Eve's were a time of catching up and sharing our deep love for each other. Doreen is such a worker I am sure she is already in heaven and organizing the things to be done. She will always be surrounding us with her angelic energy. Peace to you Joe, Lauren and Kristen. I know she will never be far from you.

“ This weekend I walked past a Valentine's Day candy display and it reminded me of the care packages Auntie Doreen would send up to me in college. I loved and looked forward to opening her box full of homemade treats and festive goodies. She was always looking out for everyone. Making sure we were having fun and staying well. I feel grateful today for these memories of her. xox We love you Auntie xox - Leah

“ Dear Joe , Lauren, and Kristen,
I am so sorry to hear of Doreen's passing. I will keep you all in my prayers. Doreen was the nicest person I have ever known. We met when she worked at Facit in Nashua. This was over 30 years ago. We saw her babies being born. She had our daughter Christine babysitting for her and that was one of Christine's favorite things to do.

Bunco was our "girls night out" event. We had so much fun. Doreen was the queen of organizing, she did all the paperwork to keep us well informed. I always thought I had tons of time to keep in touch, but the everyday "stuff" kept getting in the way. One of my biggest regrets is that I never had a chance to tell Doreen how much she meant to me. She took friendship to new heights, now she is the angel I will turn to when I need a caring voice to sooth my soul.

Love, Pauline Molleur and family.
