“ *My thoughts and prayers to Mr. Hackett's family and friends,...I remember him as one of my first hard-nosed teachers who pushed us to be our very best and accepted little less. He was definitely a driving force in my lifelong love of math!! Rest in peace, Mr. Hackett. Stephanie Kolb Davenport*

“ *I will always remember the wonderful years I spent as a fellow member of the math department working side by side with Doug. As an 8th grade teacher I was lucky to get the kids who had been taught by Mr. Hackett. They were always well prepared with a great work ethic. Thank you , Doug. Natalie Myers*
