“ *My condolences for the family on you loss. It is a difficult thing to bear for the survivors of losing a loved one. Often I find what can help and perhaps all of you are in agreement that the Holy Scriptures can bring some comfort. Our Lord Jesus himself wept on the passing of his good friend Lazarus you can find this account in the book of John chapter 11 there Jesus helps us to appreciate the condition of our loved ones and a glimpse of what he will do for the future of ones like Doug. Once again my deepest sympathies.*
