

Dr. Roger L. Gosselin

March 7, 1963 - August 19, 2024

Dr. Roger L Gosselin, 61, passed away August 19th, 2024, at Community Hospice House in Merrimack after a 5-year battle with cancer. Roger was born on March 7th, 1963, in Nashua, NH. He is the son of Helen Gosselin and the late Leon Gosselin.

Roger loved his seven children; they were his greatest gifts and accomplishments in his life. He was very proud of all of them and bragged about them to everyone. He attended just about all their sport events from elementary, high school, and his sons who played college ball. He was always in their corner rooting for them, from when they played sports to their adult careers now. He always let them know they could accomplish anything they wanted with hard work and determination. He loved spending time with all of them, especially his Sunday breakfasts with his sons.

Roger's other love in life was his chiropractic profession, he loved helping others. He opened his practice Arrow Straight Chiropractic in 1992 and practiced until his last weeks. He helped thousands of patients during his career. He knew he wanted to become a Doctor of Chiropractic at 14 years old, when he was working drywall with other French Canadians and saw their back pain and heard the miraculous work that their chiropractors did to help them. He was the first in his family to attend college. He attended Keene State College on a soccer scholarship and received his Doctorate in Chiropractic

from Sherman College of Straight Chiropractic in 1990. Roger grew up speaking French as his family immigrated here from Quebec, but he also taught himself Spanish and Portuguese so he could communicate better with his patients.

His only other love besides his children and Chiropractic was his passion for the Montreal Canadiens, hockey season was his favorite time of year.

Roger is survived by his seven children: John-Leon and his wife Jillian, Angelique, Gabriel, Genevieve, Noah, Isabelle, and Levi Gosselin, his brother; Yves, and sister in law Valerie, Gosselin, sister Lynne, and brother in law Tom, Bannworth as well as many nieces and nephews.

A funeral mass will be celebrated on August 31st at 10:00am in St. Christophers Church, 62 Manchester St. in Nashua, NH. Burial will be private. Following mass, a celebration of life will be held at the Biergarten, 221 Daniel Webster Hwy in Merrimack, NH. The family requests that everybody wear his favorite color, blue. In lieu of flowers the family asks that you please consider donations in Roger's loving memory to Home Health & Hospice Care, Attention the Community Hospice House, at www.hhhc.org

“ Roger will be greatly missed. He was a friend to both my husband and I as well as our chiropractor. He was extremely knowledgeable about all things related to chiropractic care as well as some other medical issues He always had time to talk a bit and asked about kids and grandkids and then great grandkids. And he always had so many stories about his kids and friends etc, He was very interesting to talk to. I remember one of my last visits with him I believe either in Feb or March and after adjusting me he had no more patients at the time so he sat down on the table next to mine and we talked for about a half hour. He was the most positive upbeat person I know especially dealing with what he was dealing with.

“ *To the Gosselin family,
I was saddened to hear of the passing of Dr. Gosselin. He was a good man, and was always there to support his children through all of their sports and activities. Roger was also extremely supportive of us as teachers and coaches and always had positive things to say, win or lose. To Papa Goose's children, he was very proud of all of you and was always excited to share the successes that happened in your lives. His legacy lives on in each of you. My thoughts and prayers are with you and your family.*

“ I have known Dr. Gosselin my whole life, my mother has known him much longer. He was always so kind and friendly. I remember my brother and I were kids, we would get adjusted and he would joke around with us and play games. It was always a great experience visiting his office for a quick spinal adjustment. He always knew I would work for him, we would mention it every time we left the office. He was always smiling and made sure to make the patients smile too. In the 4 years of working with him, I never had a day where I feel unhappy with the job. I loved working with him and the job itself. He will always be remembered and is in a better place now. He was a big part in my life and treated me like as one of his daughters. I will never have a boss better than him. I am so grateful for what he has taught me and I would not be where I am today if it wasn't for him.

Roger, you were a high school classmate and teammate and then a client of mine for many, many years, but most of all you were a friend. Always enjoyed all of those times I was at your office where the topic always turned to our kids and families. I'll never forget those memories. Thank you...BOSS! Mike LaRocque.

“ *The sweetest, kindest man. I was fortunate to know Dr. Gosselin from a young age, as my father was a regular patient. My whole family's quality of life improved significantly thanks to his chiropractic adjustments. He wasn't just my doctor, but a dear friend. I'm so grateful my daughters got to meet him only a few weeks ago. We'll miss him so much.* ”

“ *Roger and I were classmates from sixth grade through high school. He had a charm that both women and men liked about him and this made him a popular guy in high school. He was looked upon as a leader, without having to assume a formal leader role. He was that special.* ”

I admired both his contagious spirit and his humorous wit; which made him one of the easiest guys to get along with.

Roger, the impact of your kindness and wisdom will forever be remembered by those whose lives you've touched.

“*My deepest condolences to the Gosselin family. Roger was and always will be one of my closest friends. His sense of humor and crazy antics provided me so many fun memories that I cherish. Despite my being hard to stay in contact with, he always made an effort to call and check in and also to gather friends at his home for a get together when I was in town. He took our friendship to the next level when during a difficult time, rather than giving sympathy that he knew I didn't need, he wisely encouraged me by saying "Evil flourishes when good men stand still." My son also will always appreciate uncle Roger as he and his family showed him that family and friends can be decent people. Thank you for your friendship Roger! You made an impact in our lives! “ *Mes sympathies à toute la famille de Roger: à ses enfants, à son frère Yves, sa sœur Lynne et à sa mère Hélène.
Dés son jeune âge, Roger était fier, énergique et fonceur. Comme on le voit sur la photo, il a toujours été charismatique. Même durant les dernières années au prise avec une maladie très grave, Roger n'a jamais cessé d'avoir des projets. Il ne s'est jamais plaint de sa condition. De plus, il était très informé sur divers sujets. Ainsi, il pouvait en discuter passionnément.
Roger tu vas nous manquer je suis fière de t'avoir eu comme neveu.*

“ Our hearts have been heavy since learning that your vital, dynamic father was so ill. When he was our chiropractor, his commitment to our well-being and his deep knowledge of his profession shined through. He was a great neighbor who generously welcomed us to your bonfires, pool, and whatever activities were going on beyond the fence--it was so important to him that all the neighborhood kids connect. We still smile as we recall him cheering on Sam as he learned to skate in your backyard rink! Please know that we will be pulling for you all in the difficult times ahead.
