“ *Ellen was the sweetest and most caring woman/bus driver to my young, and extremely shy daughter, Jenny. Ellen would pick up my little one three times a week and drive her to her speech session with Paula Greenglass. My son, Jeremy, was a newborn at the time, and Ellen adored him, as well, wanting to wrap him in her arms whenever she came by. And, many years later, without fail, whenever I ran into Ellen in the grocery store or out and about town, she ALWAYS asked about HER "little Jenny". Such a special lady! Treasure your memories of her, as I will also do.*

“ *Ellen was a wonderful friend! She worked so hard for the Hudson community. Met her when she was driving a school bus. She loved holding my son, Shannon when he was born. She and Gerry helped us repair our home and shared many fun activities. We were blessed to have her in our lives.*
