Although I never met Ernest I feel I know him through my friend Adam ,his son. I am sure the wonderful person that we know Adam to be is reflective of his fathers influence and example.

“ Dear Nancy and Family,
I just read this and can't believe it. I remember the first day you and Ernie moved into the house across the street from me in Hudson. We loved you both instantly! I still have the lawnmower that you gave us! Ernie was such a kind soul and always so pleasant! If there is anything that we can do, please contact me. You are all in my thoughts and prayers.
God Bless,

“ Hi Brian,

I lost my dad in 1993, and he was the same age as your dad so I know the impact that can have. My dad suffered from kidney disease for 15 years so I had ample opportunity for closure. Still, it was difficult. It has gotten easier with time as good memories remain. I hope that you have a good support group and know that we here at TriQuint are all thinking about you. You will be in our prayers.##imported-begin##George Herrmann##imported-end##
