

Fernand Morin

April 26, 1923 - November 18, 2013

Fernand J. Morin, 90 of Hudson, New Hampshire died on November 18, 2013 at Greenbriar Healthcare after a long illness. He was born on April 26, 1923 in Riviere du Loup P.Q., Canada.

He was the son of the late Adelard and Juliette (Levesque) Morin. He is also preceded in death by his sister, Theresa Smith from Gorham, NH and Jeanine Nadeau of Nashua.

Fern was the husband of Helen (Brown) Morin of whom he shared 65 wonderful years of marriage.

Fern graduated from Nashua High School in 1941 then went to New York City to become a tool and dye maker. After returning to NH, he enlisted in the military as an army corp. engineer and acted as a French interpreter in World War II.

He later returned to the USA and married Helen. He was then drafted in the Korean conflict. His days were numbered and he honorably left the service to join the civilian life once again.

Fern then went to night school and graduated from the Lowell Technical Institute with his Associate's Degree in drafting. Fern then worked for a small machine shop called Poulin's before joining as an employee at Sander's-Lockheed to become a mechanical engineer and became involved in Research and Development for 29 years until 1985 when he finally retired. He also held memberships with the American Legion Post 48 of Hudson and VFW Post 5791 where he served in many offices. Fern always had a smile on

his face and loved to socialize. Some hobbies were dancing, music, gardening, and just being plain Fern!

Besides his loving wife Helen, he is survived by his daughter, Judith Morin Russell of Denton, TX as well as a sister, Claire Beausoleil of Goffstown, NH, along with many nieces and nephews.

Visiting Hours will be held on Thursday Nov. 21st from 6pm - 8pm in the DUMONT-SULLIVAN FUNERAL HOME, 50 FERRY ST. IN HUDSON. “ Hello my Daddy,
I've been think of you so much lately. Do you remember when I asked you to show me how to repair things? Well, all of your teachings have come in very handy. I thank you.

There's so much evil and hatred on our world now. The Democrat Party isn't anything you'd recognize. They want power at all cost, but the American people had enough of the last 4 years under a demented Biden and the corrupt Ness of his family and the entire Biden Admin. We have Donald J. Trump for his 2nd term and wow daddy! He's just remarkable! Anyway, I'm very happy living in Bluffton. Dick and I are happy together. He's very good to me. I'm singing again. I've been in the community choir. This is my 7th year. Karen Searles and I are very close again. As well as Michael Sullivan. I'm 2021, Dick and I had Mini visit us for 2 months. Now she's dumped both of us.
My health isn't so great, but at least I'm happy. I'm looking forward to seeing you in my dreams. Goodnight my wonderful daddy.

Hello my dear father. I think of you and dream about you and mother very often. Life has become quite difficult for many people in America because of a pandemic and loss of many many jobs. At the same time now, there is social unrest and violence in major cities. I thought it might have been over long ago, but it continues with no end in sight. Sleep and enjoy the peace you have father. Love Judy

*Today is June 25, 2019. You have now been gone for nearly 6 years. There is not a day that goes by that I don't think of you and wish to hear your voice, my father! Father's Day has come and gone again with tears in my eyes. I miss you Daddy!
I am grateful for having you as long as I did and for all that you taught me.
I pray that one day we shall see each other again in the heavens above, but until such time, may the Lord wrap his arms around you and keep you at peace.
Your daughter,

Daddy I am now preparing to wed Dick Hanson. You once asked me, "why don't you get that guy to marry you?" Well, we finally will be married on Oct. 28, 2016. Wish you could be here to celebrate with me Daddy! It's been almost three years since you left me. I love you and miss you dearly.

“ To Helen Morin and family,

We want to express our sympathy to you and your family for the loss of your husband Fernand. It's difficult to imagine the depth of your loss after being together for 65 years.

The Bible shows that God is aware of our feelings and wants to comfort us. Psalm 31: 7 says : "I will rejoice greatly in your loyal love, For you have seen my affliction; You are aware of my deep distress." And Psalm 46: 1,2 says: "God is our refuge and strength, A help that is readily found in times of distress. "

This shows that God takes note of individuals and their suffering. Be assured that he sees what you are going through as well.

In fact, he even promises to bring an end to death in the future. As Revelation chapter 21 verse four says: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore."

We hope these thoughts will be comforting to you as you deal with your grief.

Please accept our sincere sympathies at this time.

Warm Regards,

John and Samantha King
