

Florence Boudreau

December 5, 1927 - December 19, 2021

Florence Ann (Nicolini) Boudreau, age 94, passed away peacefully at her Nashua, NH home on December 19, 2021 surrounded by her loving family. A loving wife, devoted mother, dearest Mom-Mom and caring friend, Florence was born on December 5, 1927, to the late Rebecca and Lawrence Nicolini in Winthrop, MA.

Florence grew up in Beachmont, Revere, MA with her six siblings and graduated from Revere High School in 1946. She then attended business classes at Burdett College and started her professional career at the Registry of Motor Vehicles in Boston where she made many treasured friends. She loved going out dancing at the Oceanview with her sister and was the president of the Women's Sodality at Our Lady of Lourdes Church. Florence adored her parents and always put her family first, a value that she passed on to her children and grandchildren.

As a devout Catholic, it was fitting that Florence met her beloved husband William Boudreau at church. They dated for a few years before getting married on November 11, 1954. Florence and Bill started their family in their hometown before moving to Nashua, NH in 1963 to start a new life. In Nashua, Florence worked at Community Council as a Medical Records Librarian until her retirement in 2001. This time of her life marked her proudest accomplishment, raising her six beautiful children with her dear husband.

Balch Lake was a special place for Florence, where she enjoyed the summers with her family. At home in Nashua, Florence was active at Bishop Guertin High School and Mt. St. Mary's High School, where her children attended school. Florence was also active at St. John XXIII Parish, singing in the Folk Group Choir, visiting the sick and serving as a Eucharistic Minister. She kept active by walking and doing yoga at the Senior Center and she found joy in shopping and chatting on the phone.

Florence was a constant presence in her grandchildren's lives, sending them off on the bus for the first day of school and going to every sports game, concert or event to cheer them on. Despite her many family commitments, she always made time for her friends. She had many of them since she was a kind and outgoing person who could, and did, make friends wherever she went. Florence valued hard work and education but above all, she valued relationships. Love and joy flowed abundantly from her into all the people in her life, and even though she's passed, that love will continue to be felt by all.

Florence is survived by her six lovely children, Laurie Boudreau, Carol Croteau and her husband David, Jacqueline Kelly and her husband Edmund, Nancy Palmer and her husband Lawrence, Susan Croteau and her husband John, and Robert Boudreau and his wife Dana. She also leaves behind 13 grandchildren: Jaime, Nicholas and Alexandra Croteau, Wesley, Mitchell and William Palmer, Blake and Caroline Boudreau, Austin Dunn, Timothy and Julia Croteau, Andrew and Grace Kelly, and two great-grandchildren Marquis and Jordan Croteau.

Florence is survived by one sister, Paula DeCain and her husband William and is predeceased by her other siblings and their spouses, Phyllis and Newman Chaffee, Lawrence and Rita Nicolini, John and Betty Nicolini, Ernestine and Dominic Parro, and Constance and Joseph Simonson.

Florence has many surviving nieces and nephews whom she treasured and friends whom she loved and cared for. She will be remembered and missed by all.

The family will receive well wishes at Dumont-Sullivan Funeral Home, 50 Ferry St. Hudson, NH on Monday, December 27th from 4:00pm-7:00pm. Face masks are required for attending these indoor services. A Mass of Christian Burial will be celebrated at St. John XXIII Parish in Infant Jesus Church, 121 Allds St., Nashua, NH on Tuesday, December 28th at 11:00am. All are asked to please meet at church. Interment will follow at Edgewood Cemetery, 107 Amherst St., Nashua, NH. In lieu of flowers, please consider a donation in Florence's memory to Home Health & Hospice Care, 7 Executive Park Dr., Merrimack, NH 03054 or at www.hhhc.org in honor of the excellent care they provided her.

“ My name is Russ Harris, and I worked with Florence at Community Council from the time she began work there, until I left for another job at the end of 1995. At Community Council I was Financial Manager, so had the opportunity to have frequent contact with Florence on client charge, billing, and other financial issues. She was a wonderful employee- easy to work with and, keep in mind, she had to work with every medical/social service staff member, which you can imagine was not always easy. She was sharp, always helpful and cheerful, and didn't back down to anyone if she knew and could prove that she was right! Florence and I kept in touch a bit after I left, and it was always a joy to hear from her as we reminisced a bit about work, and she brought me up to date on her family.- without doubt her proudest achievement. I will never forget her.

“ How do you describe heaven
when hell is so very near
How do you describe a friend of a friend
who always seemed to care
How do you describe the sun
with so much warmth to see
How can one individual
make you so very happy
How do you describe love
when there is so much hate around
Why did her voice
create a smile from a frown
How do you describe Florence
perhaps it is best not to try
as now she is with Mom and the Angels
but today, I miss her and cry

“ So sorry to hear of Florence's passing! She was always such a kind,
loving and joy-filled woman, so wonderful to know and to be around.
My prayers and sympathies go out to her children (by birth and
marriage), grandchildren and all. I know she will be missed; at least
now she is reunited with Bill. God bless them both - and all of you!

“ To the Boudreau Family- (one of the best!) -- Florence was a wonderful image of what a mother, grandmother and friend could be. We "all" moved to Massachusetts Drive in the summer of 1963 with the FAA and little did we know what a wonderful life we would have here - the great times we had with each other and our children growing up can never be forgotten - it was truly unique - and we were so thankful that we were able to experience this and pass on to our children - many of whom still live on "Mass. Drive". We will miss you always, Florence. God bless you, your light will shine forever.

“ My Aunt Florence was a positive and loving presence in my life from a young age to my current age of 70. Her frequent phone calls kept me updated with all the new babies, high school and college graduations, and upcoming marriages. She was there for me during the good times and life's challenges. I know she is up in heaven singing, dancing, and doing cheers for Revere High School, making her family members laugh! The good Lord will welcome this good woman of strong faith with open arms.

Rest In Peace Aunt Florence.

“ I feel so lucky to have been able to spend many beautiful moments with Mom mom at the camp and at family gatherings. She was the star in every room she entered. Right when I started dating Mitchell she was so warm and welcoming to me and treated me like family. I will never forget the kind words that she said to me on her 94th birthday. She had a beautiful way with words and know that myself and many many others will miss her dearly. I will always be so grateful that I knew a true angel on earth like Mom mom.

“ Mom-Mom,

You were the light in every room you walked into; your smile was made of sunshine and heart was made of solid gold.

You put love and compassion into everything you did,

Your courageous laughter brought us such joy; we could always count on you on any rainy day.

You encouraged me to do my best and follow every dream. You would tell me to never give up and that I am not alone because you were my team.

You were everyone's biggest cheerleader. Every home game I had during high school whether it was lacrosse or field hockey, I would look up and see you in the stands wearing your green and gold. I am forever grateful you were able to attend my sporting events.

You have touched the lives of countless people with your kind soul.

Most importantly, you were our Matriarch in our family who will be missed dearly.

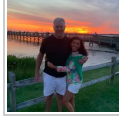

May you rest easy my sweet angel, heaven gained one incredible angel.

May your spread your wings and fly.

With lots of love,

Caroline

“ *I am so sorry to hear of my dear friend Florence passing away. We worked together more than 25 years ago and became good friends. She always remembered my birthday and would call and sing me Happy Birthday for many years since my Mom passed. It was so sweet and would always call and check up with me. We had our last lunch with our good friend Jerusha and always had so much to talk about. She always bragged about her good friend Heidi and I'm sure it drove her children crazy! Love to my good friend and I will miss you very much. Until we meet again! Love, Heidi*

“ Mom-Mom,

My friend, hero, mentor, and beloved grandmother. I am so thankful to have been able to grow up with you by my side every step of the way. You were there for every game, graduation, job acceptance, birthday, and all other major moments in my life good or bad. You have meant so much to me and I cannot thank you enough for all that you have done for me and our family. I will always miss your calls that almost always started with “Oh hi Mitchell darling it’s Mom-Mom calling” and then always ended with, “love you, bye-bye.” Our family is so close all thanks to you. I will forever miss your smile, superb advice, laughter, and voice. I cherish all of our time spent together and hope to see you again.

*Love you, bye-bye, and see you again!

“ I’ll always remember “Mrs B”, she was like a second mom to me and to many of Bob’s friends. We spent many hours in the Boudreau’s kitchen and home, often times arriving unannounced... we always felt loved, welcomed, and well fed!

Always smiling, always positive and encouraging, Mrs B was just a special person who lived a beautiful selfless, giving, and caring life.

To Bob and the extended Boudreau family, my deepest sympathy. I know you will take some comfort in the wonderful memories and celebrate the life we all should emulate.

“ I have many wonderful childhood memories of spending time with Florence and her family growing up. My sister and I just received a Christmas card from her last week with pictures of us and her kids when we were little. My more vivid memories are in later years when the “party bunch” (as they dubbed themselves) got together. They were something to behold. Friends like that are a blessing from God. Florence always stood out with her smile and warmth. Anyone who has ever had the pleasure to meet her can understand. She is pure love. When my mom passed she called me often to check on us. For her friendship I will be forever grateful. I take comfort in knowing that most of the “party bunch” are now together made whole in the arms of the lord ❤️ With much love, Patti Pote

“ We grew-up with Mrs Boudreau and her wonderful family. Bobby and I went to high school together. Florence was a lifelong friend with our Mom, Kathy DeCola. We always loved seeing both her and her late husband, Bill. Florence always warmed whatever room she happened to be in with her infectious smile and her gentle ways.

Our deepest condolences to the Boudreau family. The world was a better place with Florence in it!

“ I have had the pleasure of calling Florence Boudreau my Grandmother for the last 26 years. She truly has been an inspiration to me, she has taught me so many life-long lessons that I will make sure to pass down to future generations.

My Grandmother always kept a smile on her face and had the ability to make everyone feel great about themselves no matter the situation.....it looks like I will be the last one to carry on the "Boudreau" last name and I take great pride in doing so and will plan on keeping that smile prevalent where ever life takes me.

She was truly one of a kind and I will miss going over her house or receiving her phone calls telling me to have fun / be safe before I went out out with my friends.

She was by biggest supporter and will be greatly missed but never forgotten.

Heaven gained another angel to look down on everyone...I hope to continue to make you proud everyday.

I will forever adore you....

“ On behalf of the entire Bishop Guertin Family, I extend heartfelt condolences to the Boudreau family on the loss of your beloved Florence. Like you all, we are heartbroken to have lost such a lovely person and our biggest fan! When BG opened, great people who believed in the mission - like Florence and her late husband - helped provide the support needed to put our school on the map. We owe so much to families like the Boudreau's!

On a personal note, I have known Florence since my own high school days at the Mount. She was, and continued to be, everyone's second mom. If you ever wanted to feel good about yourself, all you had to do was spend a minute with her. They say some people see others through rose colored glasses but I believe that Florence had eyes of love.. Simply put, Florence saw the very best in everyone. And more importantly, did not hesitate to let you know what she loved most about you. My heart is heavy today...

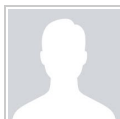

Please know we will hold you all in our thoughts, in our prayers and most especially in our hearts during the difficult days ahead. While BG has lost a dear friend, her legacy will live on for years to come. With love and sympathy;
