

Florence Stanley

January 1, 1931 - September 12, 2024

Florence T. Stanley, 93, of Nashua, passed away peacefully on September 12, 2024 at The Atrium at Drum Hill in Chelmsford, Massachusetts. She was born on January 1, 1931 in Nashua, daughter of the late Anthony and Anna Utko. Florence was raised in Nashua and lived in Hudson since 1957.

Florence was a loving wife, sister, mother, aunt, grandmother, great-grandmother, and friend. She was preceded in death by her husband, Warren F. Stanley, her sisters, Agnes, Genevieve, Josephine, Sophie, and her beloved twin brother, Joseph. She was also predeceased by her grandson Jeremy Turner, and her nephews Michael Zaikis and Billy Stanley. Florence is survived by her four children, Mary Ann Turner of Oklahoma, Beverly Stanley of Hudson, Roseann Visscher of Florida, and Richard Stanley of South Carolina. She also leaves nine grandchildren, 12 great-grandchildren, and 11 nieces and nephews.

Florence was a devout Catholic, a daily church attendee, a longtime parishioner of St Casimir's Lithuanian Church in Nashua, and later of St John's and St Kathryn's in Hudson. She was a member of the Lay Carmelite Order of the Blessed Virgin Mary (Third Order). She worked for many years in the Hudson schools lunch program, Mc Nulty and Foley Catering, and the Hunt Home in Nashua. She also volunteered at The Soup Kitchen and Hospice in Nashua.

She was an extraordinarily kind and giving person toward her family, friends, and even casual acquaintances. She selflessly lent her sympathetic ear and wise counsel to hundreds of people in need throughout her lifetime. Her kind spirit and unassuming nature was evident to all who knew her. In her final year, even though her mind was fading, she had this same impact on the staff at the Atrium as evidenced by their outpouring of support for her family, stories shared, tears, and prayers for Florence.

A 10:00am funeral mass will be held on Friday, October 18th, at St Kathryn's Church, 4 Dracut Road, Hudson. A luncheon will be served in the church hall, followed by her burial at 1:30pm at Holy Cross Cemetery on Ledge Road, Hudson.

Mrs. Stanley was my Mother-in-Law and part of the "Greatest Generation" She was a true Matriarch of the Stanley family. I have known Florence for close to 25 years now. She was Independent, kind, gentle, selfless, generous, faithful, brutally honest with a great sense of humor! Never complained about anything or put others down. I always felt welcome at her home and spent many a Holiday meal around the table surrounded by family and friends. I learned to play SkipBo and Rummikub with Florence and her daughter, my wife, Beverly and there was no mercy for the Rookie! Always in good fun though. You couldn't help but like her, she was just that kind of person. As far as her faith goes she was a true Christian to the core, walked the walk and talked the talk right up to the end. She was an amazing human being, friend and Mother-in-law. I was very blessed to have been part of her life.

I had the opportunity to get to know Florence through St John XXIII parish in Nashua and Hudson. After the 8 am Mass on weekdays she would always straighten out the books. There were many a ride to Hampton Beach, Biddeford ME or other places that Sandy, Sr Jeanne and I would take with Flo. I would always remember her love of food. I also participated in many a game afternoon that included Skip Bo, Uno, Rummikub and four corners to name a few. Rest in Peace my friend. Love always Jennifer Pizzi

I'll never forget all the birthdays and holidays spent at Grammy's house. All the winter days sledding down the hill. And all the love she gave to anyone who entered her home. Grammy's house was the greatest place to be. I love you Grammy, I miss you.

This memory video is a beautiful tribute. I knew Grammy Stanley mostly through Rhonda's stories, though we met briefly at her wedding. It's clear she lived a life that touched many others lucky to have known her. May she rest in peace.

She was a very special aunt - just enough older than me to be looked up to and modeled after. She was so "with it"! I was in her wedding party and was thrilled to be asked to be godmother to Beverly. She planned a special meal with her best china and silver and I remember being awed at that! I knew this was a time for my best manners. Such precious memories....

I feel blessed to have met Florence - she was a very devoted volunteer of the "Rainbow Seekers" (a specially challenged group of young men and women) that met once a month at Kathryn's churches hall. She was such a kind and generous person with her time and her talent. You will be missed by so many who loved you. Rest in God's peaceful dwelling place -you definitely earned it.

“ I recall with fondness the "Great Mustard " incident when Richard and I were coming back from Jake's house all pie-eyed. Mrs. Stanley was a cool cucumber of a lady. I hope she forgave me for hitting the Church Priest with a snowball that winter evening.

“ Dear Beverly, Maryann, Roseann, Richard,
We are deeply saddened by the loss of your beautiful mother.
She was a kind person who loved God and her family. We often
came upon her as she loved to take walks from her house to town
center.
We treasure the many years she was involved with her girls at our
music school. She will be missed by many in many ways.
Love and prayers,
Roger and Deedee LaTulippe.

“ Flo was a incredible woman that I had the privilege of meeting
through the Rainbow Seekers of St. John's Church and later St.
Kathyrn's Church. Under Sister Kay's tutelage, Flo was a wonderful
companion to the friends that came to learn about Jesus. She was
kind and loving to everyone in the group. We would all bring food to
share for lunch and Flo always brought the best ice cream! She will
be missed by all that have met her. Flo, Rest comfortably in the
Lord's arms, until we meet again. Margaret St. Onge

“There are places I remember, all my life, though some have changed.”

I will always carry loving memories of my Aunt Flossie and her NH home.

I had so many happy times visiting her and her family.

Her warm welcome, amazing meals at the dining room table and the great adventures with my cousins MaryAnn, Beverly Ann, Rose Ann and Richard are all part of my life story.

We had long walks down Wason Rd, eating concord grapes from the roadside vines, sledding down the hill in the winter, cook outs in the backyard with the extended Chastney, Utka and Jameson family members, going to church on Sundays and for Memorial Masses, visiting the Stanley and Kupchunas families nearby, long talks with by cousins in their upstairs bedroom, playing in the "doll house", watching cartoons on Saturday mornings! These are just some of my memories.

Living in the Boston area, it was a treat to go visit her. Having two brothers I really needed time with my cousins!

I was always made to feel welcomed, loved and cared for.

My Aunt Flossie would send the best cards for Birthdays, Anniversaries and holidays with just the right words to brighten up your day and lift your spirits!

She taught me so much as I was growing up and continued help me as an adult. Like a ripple in the water, I am sure she will continue to guide me.

“ *Losing my wonderful grandmother, Florence Stanley, is a great loss for our family. I cannot describe in words the beauty of the person she was. If you knew her, I’m sure you remember her caring heart, generous spirit, and kindness. She lived the value of charity and helped countless others.*

I was lucky to grow up just two doors down from her, and she has been a part of my life every step of the way. She is one of the best people I have ever known.

That does not mean that she wouldn’t trash talk the heck out of you while beating the pants off of you at skip-bo or rumikub. She could be almost as sassy as the rest of us.

She will live on in our hearts.

“ *I am forever grateful for all the times you came to pick me up from school sometimes multiple days in a row because I was always sick. You made sure I had something to eat, usually saltines and cheese, and you always put on the same episode of the teletubbies. I miss falling asleep in that extremely hot room in the big chair. Thank you for taking care of me, I miss you.*
